

NOTICE OF PUBLIC HEARING

Lamprey River Proposed Protected Instream Flow Public Hearing
Lee Safety Center
20 George Bennett Road
Lee, NH

The New Hampshire Department of Environmental Services (DES) has completed the Lamprey Protected Instream Flow Report. In accordance with the provisions of Laws of 2002, Chapter 278, DES will hold a public hearing on the Proposed Lamprey River Protected Instream Flows. The law requires that DES hold a public comment period of an additional 30 days. DES shall consider the public comments received in any revisions to the protected instream flow levels the Lamprey River. The meeting will be held jointly with the NH Senate Energy, Environment and Economic Development Committee, Wildlife, Fish and Game Committee; and the NH House of Representatives Resources, Recreation and Development Committee.

The public hearing will be held at Lee Safety Center, 20 George Bennett Road, Lee, NH on January 14, 2009 from 6:30 – 9 pm.

Copies of the Lamprey Report are available for review. Compact discs containing the report in .pdf format are available from DES on request. Lamprey PPISF Report is available for review or as a free CD at: DES Public Information Center in Concord, Lee Public Library and Durham Public Library. The report may also be downloaded from the DES website at

<http://des.nh.gov/organization/divisions/water/wmb/rivers/instream/lamprey/study.htm>.

The comment period is open until COB February 13, 2009. Questions and comments should be submitted in writing to:
